M3 INTERNATIONAL  
LOGISTICS CORP.

Since 2012

## Know us:

We are a logistics company that opened its doors since 2012, with trained personnel with more than 15 years of experience as a 4PL.

## Our vision:

Redesign processes to reduce our footprint and improve our customer supply chain from factory to the final customer door.

## ¿Why M3?

Customers have shown us their fidelity and security in choosing our services, keeping our portfolio active by 80%.

It is because of them that we are inspired to continue innovating towards new digital platforms and safe transport measures and efficient solutions, because we want to improve the quality of delivery, help our customers to enter new markets and grow with them, organically and consistently.

## The Power of Cargo!

¿What CAN YOU do with M3 Intl?

Discover our powerful supply chain technology platform. Easy Booking, Paper Free, Intuitive Simple.

Manage customers, communications, apps, shipments and customs filing using one interoperable UI platform and developer API.

## Benefits M3

### Experience and quality:

Transportation is a complex task subjected to a high degree of uncertainty. We make sure that your merchandise is transported in optimal conditions according to its characteristics.

### Budget:

The price varies depending on the distance, the type of merchandise and permits. We offer you different options according to your budget.

### Safety First :

In the transport of merchandise, various types of unforeseen accidents or events such as theft, general average and others can occur... We review the security processes, to offer solutions and right coverage to insure your cargo.

### Just in Time :

Nowadays companies work under conditions of high pressure, uncertainty and change. It is important to know the needs of our customers to ensure deliveries.
